Mandy’s Diner

Prescott, what would you order?

DTS-owned. Veteran-operated.

AI concept rendering. We’re inviting your ideas.

DTS owns it.
Veterans run it.

The proposed model

Driven To Serve Inc. would own Mandy’s and its brand.

Veteran teams would lead the day-to-day operation, with meaningful roles across the diner.

Local suppliers and makers would help give each location its hometown character.

Everyone is welcome at the table.

A place to feel at home

Booths, a soda counter, good food and room to gather.
